Our top class Trout Fishery is situated within the grounds of Blenheim Palace, home to the Duke and Duchess of Marlborough. The picturesque Park provides a unique setting for trout fishing with its rolling landscape and Bladon Lake created by 'Capability' Brown.

The lake complex extends to 21 acres of water with a bank length of a mile. The waters are stocked with full tailed Rainbow Trout weighing up to 8lbs, and a few Brown Trout. We are open all year round (except Christmas Day).

The fishery is split into 4 beats known as Rough Piece, Bladon, The Lince and The Gardens. All these beats can be fished under one ticket although the Gardens can only be fished after 1700hrs.

We are able to offer coaching and tuition both for parties and individuals in partnership with Orvis. Rods and tackle can also be supplied by prior arrangement. Please call **01993 810500**

Refreshments are available at the Pleasure Gardens during normal opening times.

For corporate hospitality, incentive packages and picnic hampers please contact Blenheim Palace Hospitality - **01993 813874** or email: sales@blenheimhospitality.com
