

Blenheim Palace & Pye Built Heritage

Location: Blenheim Palace, Woodstock, OX20 1PP

Summary: This work experience is a fantastic opportunity for someone who has a strong desire to work within the cultural heritage industry, in building conservation, restoration, architecture or archaeology.

The role includes the following:

- Learning about Blenheim including its history, built fabric and properties
- The process and values behind restoration and conservation.
- You will have gained knowledge and learnt relevant skills to facilitate a presentation on an element of Blenheim or design a new exhibition.
- Working alongside interns from Oxford University or our own Architects.

Our Culture

At Blenheim, we are passionate about providing an environment for everyone to develop their skills, try new ways of learning, and encouraging their talents to flourish. Our Blenheim Behaviours are shared by all and are an important aspect of joining the Blenheim Team.
