

Blenheim Palace & Pye Health and Safety

Location: Blenheim Palace, Woodstock, OX20 1PP

Summary: You will be working with the H&S Coordinator and H&S team to embed our excellent H&S Practices across the business with hands on administrative support and will help shape and embed Blenheim's H&S processes and practices. Within this role you will be walking around the Estate so please ensure you are wearing appropriate clothing and footwear. Necessary PPE will also be provided to you if it needed.

This role includes the following:

- Helping to support team training
- Creating safety information and posters
- Conducting inspections across the site
- Walking about meeting the team observing good practices
- Conducting best practice research
- EcoOnline (compliance system) admin to produce/allocate checklists
- Reviewing and transferring RAs over from Share point
- Creating training videos and much more.
- Working on improving accessibility across the site

Our Culture

At Blenheim, we are passionate about providing an environment for everyone to develop their skills, try new ways of learning, and encouraging their talents to flourish. Our Blenheim Behaviours are shared by all and are an important aspect of joining the Blenheim Team.

- ✓ Relish a New Challenge Everyday
- ✓ Keep Our Promises
- ✓ Show Honesty with Kindness
- ✓ Share a Sense of Belonging
- ✓ Make History
