BLENHEIM PALACE

Our Local Suppliers

Our goal is to be as sustainable as possible and only use local suppliers.
70% of our current products come from within a 20 mile radius of Blenheim Palace, including our own Estate Garden and Park Farm.
The map below shows the location of some of these suppliers.

Park Farm is located on the grounds of Blenheim Palace.
Many of our products come from this area, including our own bottled water, game meat and lamb in the spring time.

Located at the Walled Garden is our Blenheim Estate Garden, where we grow fruit, vegetables and herbs which are used in the Orangery, Stables Café, Oxfordshire Pantry and Pizzeria.
