## BLenheim PALACE

### Guidelines:

**Blenheim Palace is a World Heritage Site and a working Estate. Due to its international status we ask that students respect all areas open to visitors. We request that accompanying adults remain with their group at all times during the visit, both inside and outside the Palace, and that they communicate to the rest of the group the following guidelines.**

We would appreciate your cooperation and ask that the children/students leave their belongings on the coach when possible. If they opt to carry their bag with them, please make sure they carry them on their front or in their hands, not on their back. For very young schoolchildren, we suggest that you invite them to use the toilet facilities before you start the visit.

If there is a wheelchair-user in the group, access to the Palace will be via a staff-operated lift. Our Access Statement can be read here: <https://www.blenheimpalace.com/visit-us/plan-your-day/accessibility.html>. **Please retrieve the gate code from Flagstaff Information Point on arrival** for access to the Formal Gardens. You can also request the code by phoning 01993 810 530.

### Outside the Palace:

- In the Maze please keep to the paths and in no circumstances try to push through the hedges.
- The Formal Gardens and Palace are NO SMOKING areas.
